Greetings CSI Families!

Congratulations to our freshman students of (last) week, Justin Turney and Aubrey Marshall, who were chosen by their peers. Please encourage your freshman to nominate students. The nomination box is in Mrs. Luba's room.

Congratulations to our CSI Scholastic award winners! Scholastic Art Awards is a highly competitive, juried art competition. Through the Scholastic Awards, teens in grades 7–12 (ages 13 and up) from public, private, or home schools can apply in 29 categories of art and writing for their chance to earn scholarships and have their works exhibited and published. The regional competition includes Macomb, St. Clair, Sanilac, Huron, and Lapeer counties, with the accepted work being displayed at the Anton Art Center at Macomb Community College from Feb 4- Feb 20. Gold key awards, which are the highest honor, are sent to New York for national judging.

Dominik Malysa, Sophomore, Photography, Silver Key

Aariel Maxwell, Freshman, Photography, Gold Key

Phoenix McCreddie, Freshman, Photography, Honorable Mention

Delaney Ramon, Sophomore, Photography, Silver Key

Lendrick Towianski, Freshman, Photography, 2 Honorable Mentions

Drew Verellen, Junior, Film & Animation, Silver Key

Note from Mrs. King: Students in geometry will be starting trigonometry soon. A scientific calculator is necessary for finding trig functions. These can be purchased at any store (Meijer, Target, etc.) for around \$15. If students do not have access to one, encourage your son or daughter to borrow from a CSI friend who has geometry a different hour, or see Mrs. King.
