3/7/20 CSI Entrance Testing

3/19/20 UCS Career Expo at Eisenhower

4/6-4/13 Spring break

Greetings CSI Families!

UCS's annual career expo will be held on March 19th at Eisenhower High School from 6:30-8:30 pm. Students in grades 7-12, parents, and staff are invited to this free event. More than 100 career representatives will provide information on job opportunities, education and training, on-the-job experiences, and wages. The expo also serves as an opportunity for students to explore career possibilities. Students will have a chance to meet with CTE teachers to learn how high school classes can align with their career objective.

Students who need service credit or volunteer hours for a school club or organization can earn those hours volunteering at the Career Expo. Student help is needed before, during, and after the event.

The Career Expo is a free event for Utica students and their parents at which more than 100 career representatives are present to answer questions regarding educational requirements, job duties and tasks, expected earnings and the job outlook for their careers.

Date: Thursday, March 19, 2020

Location: Eisenhower High School 6:30pm to 8:30pm

Volunteer Hours: 2:30pm to 9:00pm day of event

To volunteer go to <https://www.signupgenius.com/go/20F054BA9AF23A57-ucscareer3>

If you have any questions, please contact Mrs. Pugliese at dyann.pugliese@uticak12.org

Note from Mrs. King: Students in geometry will be starting trigonometry soon. A scientific calculator is necessary for finding trig functions. These can be purchased at any store (Meijer, Target, etc.) for around \$15. If students do not have access to one, encourage your son or daughter to borrow from a CSI friend who has geometry a different hour, or see Mrs. King.

Scholarships & Summer Opportunities

Two local scholarship opportunities are currently being offered to seniors residing in Shelby Twp or Macomb Twp. Information regarding the Shelby Twp scholarship can be found at

<https://shelbycommunityfoundation.org/scholarships>. If you are interested in the Macomb Twp scholarship, applications are available in Mrs. Struck's office.

Central Michigan University + First Robotics Scholarship provides a \$10,000 award for students who participated in First robotics with an intended major in engineering or engineering technology at Central Michigan University. Don't delay, applications are due February 15, 2020.

<https://go.cmich.edu/pages/first-robotics-scholarship.aspx>

If your senior daughter has plans to pursue and degree in technology, this scholarship from **The Michigan Council of Women in Technology** may be for her! The deadline is January 31, 2020.

<https://mcwt.org/programs/list/University-Initiatives/Scholarship-Program>

Lawrence Technological University offers a variety of STEM summer camps. Register online at https://www.ltu.edu/community_k12/summer-camps.asp. Registration began October 15th and each camp is capped at 20 students.

Michigan State University in conjunction with the College of Engineering offers a residential summer camp titled **High School Engineering Institute**. More information can be found here: <https://www.egr.msu.edu/future-engineer/summer-programs>

College for Creative Studies announced their summer programs at their Detroit and Plymouth locations. Check them out at <https://ccsclasses.com>
