ATTENTION JUNIOR PARENTS!

On Wednesday, November 13 at 7 pm Jim Meyer will host a college application/admissions informational meeting. Mr. Meyer is a college admissions specialist with over 25 years of experience. He is an expert in admission requirements and the application process for a variety of universities in the United States. Mr. Meyer is also the co-author of *Focus on your Future*- an award-winning career/college guidebook. This evening will prove to be extremely helpful as you assist your son or daughter in the college application process next year. If you have any questions, please feel free to contact Mrs. Struck, CSI counselor.
