# Weekly Newsletter

We are implementing our first ever student of the week at CSI with our freshman class! This will foster the qualities in students that make our CSI culture special. Attributes of a CSI student of the week include kindness, leadership, work ethic, open-mindedness, integrity, creativity, enthusiasm, engagement, reliability, positive attitude, and persistence. We welcome our CSI students to nominate fellow students for student of the week who demonstrate these qualities. There will be a nomination box in Mrs. Luba's room starting next week.

Congratulations to our first ever CSI students of the week- Phoenix McCreadie and Zoey Lawrence!
